Founder

100 Countries, 6 Continents, 70,000 km, Millions of Hearts...

The World Harmony Run is a global torch relay that symbolizes humanity's universal aspiration for a more harmonious world.

Now in its third decade, the World Harmony Run is mankind's largest and longest grassroots initiative for peace. Since its inception, the torch has visited more than 140 nations. Along the route, people in thousands of communities—from children to seniors, from everyday folks to world leaders—will join the World Harmony Runners by carrying the torch a few steps or a few miles, each person adding their hopes and dreams in a global wave of friendship and goodwill. Through direct participation and media coverage, the World Harmony Run touches the lives of millions. No money is being raised; no political cause is being promoted. Rather, everyone is invited to take a step towards the creation of a oneness-world family.

Everyone can participate. Athletes and non-athletes, young and old alike, can carry the torch a few steps, a few blocks or a few miles. Join one of the many welcome ceremonies or torch runs along the global route.

Organizers

Dr. Hepburn welcomes the torch at a World Harmony Run event.

Harmony and peace are not mere "buzzwords". As we look toward the future, I am reminded of the message of my dear friend Sri Chinmoy, founder of the Run, which can strengthen us on our way forward. He said that world harmony and world peace are "the realities, divine realities and supreme realities." Dynamic activities such as yours have demonstrated the reality of peace across the globe. Yet there is still so much to do and I believe the World Harmony Run has only just begun to demonstrate its capacity to help create a better world. In this spirit I encourage you to continue, and to go beyond the great successes of previous years.
